

MATA Secondary School Committee Report

Have hosted 3 statewide SSAT meetings to check in and see how everyone is doing; discussed things that are going on at the state level with regards to the Pandemic and how that affects athletics and us; discussed things that have gone well and not gone so well.

Have been involved with the MPA Sports Medicine Advisory Cmte on Return to Sport Guidelines.

Have been involved in 3 meetings with Rebecca Sterns at KSI and representatives from the MPA, Athletic Administrators and Sports Medicine Physicians about TUFSS.

Have also been engaged with Athletic Administrators and others in the Pandemic Project.

- Establish a dialogue and networking among stakeholders in education-based athletics
- Identify issues, concerns, and questions that education-based athletics personnel will face when making decisions to reopen their programs
- Monitor and share current information and guidance issued by decision-making bodies
- Conduct research and collect data to assist athletic directors, athletic trainers and others involved in education-based athletics moving forward
- Create a planning template that can be used in multiple settings

Continue to work with the MPA and MDoE on Concussion management Policy and most recently on LD 104 An Act to Protect the Health of Student Athletes, which requires the MDoE to submit a report to the Educational and Cultural Affairs Cmte. on the incidence of Concussion among athletes.

Will be working with small, rural high schools without AT coverage to develop and implement EAPS.
